

GAS PLANT OPERATOR - WATERTON

Position Title:

Gas Plant Operator

Job Type:

Full time, permanent

Reporting to:

Plant Foreman

Location:

Waterton

Company Profile:

Pieridae Energy Limited ("Pieridae") is a natural gas company, with a strategy to build a long-term presence in the Canadian Foothills. Pieridae is currently reevaluating its option to build a world class LNG project in Atlantic Canada. The company has natural gas assets located in Alberta and British Columbia.

Position Summary:

The Pieridae Waterton Gas Complex is currently looking for a safety-oriented individual to fill an operations role for their high-pressure sour gas plant situated southwest of Pincher Creek, Alberta.

Reporting to the Plant Foreman you will be responsible for the safe and efficient operation of the equipment and processes. You will provide direct guidance and support to operating staff and contractors to consistently meet or exceed expectations in the following areas: production; operating costs; corporate values; environment, health and safety, training; regulatory; and emergency response while in care and control of the facility.

Responsibilities:

- Responsible for the safe operation of a 1st class, 5500 e3m3/d sour gas plant with fractionation unit, stabilization unit, deep cut, sulphur plant, and all associated utilities.
- Responsible for isolation and permitting activities in a large industrial setting.
- Must meet the requirements of WHMIS, ABSA, and ASME codes as required.
- Must maintain a logbook and operate the site's power boilers in compliance with the regulations.
- Must follow and apply the site's safe work procedures.
- Must be able to take and direct calls from the public regarding the site's activities. Our interactions with the community are critical to our business.
- Must be prepared to respond to an emergency and follow the site's emergency response plan.

Education and Work Experience:

- Experience in sour gas processing facilities required
- Minimum 3rd class power engineering certificate required
- 5th Class driver's license required
- Current certification in H2S alive, First Aid, WHMIS, TDG
- Demonstrated ability to adapt to process changes and modifications
- Demonstrated computer literacy and knowledge of automated operations systems
- Excellent communication skill
- Proven analytical and problem-solving skills
- Excellent organizational and project management skills
- Work well with others in a fast-paced environment
- Ability to work twelve hour rotating shifts and cover other operators during their absences.

Please email resumes and cover letters to HR@pieridaenergy.com

Pieridae is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, national origin, age, disability, protected veterans status or any other legally protected factors. Accommodation for applicants with disabilities is available on request during the recruitment process.
